A New Stream of Income for Your Organisation

Dear Client,

Here at Tavistock Leisure we're only too aware of how difficult it is for charities, schools and voluntary organisations to raise the vital funds they need to continue their excellent work.

As operators of two superb venues across the North East, we are experts when it comes to event organising and have helped scores of organisations just like yours get a healthy boost to their coffers. Recognising that there are many other groups in the region and beyond who might need some expert assistance when it comes to raising money – especially in a climate where every penny is precious – we've put together a new scheme where you can not only benefit from our first class venues but from our expertise!

Our venues can take up to 350 for a grand ball, with a selection of smaller options for more modest numbers and under our new packages we can take care of EVERY aspect of your event – so you can just concentrate on ticket sales.

We firmly believe that no other venue in the region can offer a package like ours – tailored to your budget and with no compromise on quality of food, decoration or entertainment.

We will give you your own dedicated events co-ordinator, raffle prizes and even help promote it – after all, we are as committed to making your fund-raiser a success as you are!

Past events at our venues have raised as much as £7000 for small charities on a limited budget and we can see no reason why yours shouldn't do the same.

Please have a look at the information on the following pages which highlights some of the amazing packages we can offer and of course we would also be delighted to talk to you about creating a bespoke package to suit your requirements.

For further information or to view our venues please call them direct –

Look forward to welcoming you!

Kind regards

"Just a note to thank you so much for making our Annual Dinner so enjoyable on 19th September, the ladies could not praise the staff enough and it again raised valuable funds for the many charities we provide for." Mrs Hodgson, Lady Masons

"As a former Mayor of South Tyneside I have held a number of events at Best Western Hotel owned by Tavistock Leisure.

I have always found that Tavistock Leisure are keen to support Charity events and their professionalism and enthusiasm help make these events highly successful.

It is for this reason that I would not hesitate recommending the Tavistock Leisure Group to host any future Charity events.
